### **Team Manager (TM):**

The TM is responsible for the communication between the office and their team. By signing up as the TM and registering the team, please ensure you have read your role responsibilities in the [Competition Regulations](#).

### **Individual Registration:**

Players must be individually registered to the team prior to taking the field. Once the team has been registered online, all players are required to individually register to the team on MySideline. This can be completed on the Premier Touch Website: [Join Your Registered Team](#)

***A team needs a minimum of eight (8) players registered to the team for the team to appear in the fixturing system.***

**Please note: You, as the Team Manager, must also register to the team as a player.**

The TM will be able to view the registered players to the team at any time throughout the season. Upon registering their team, the TM will receive access to [MySideline Manager](#). Once logged in, **click on the menu button** in the top left corner, then **Select your team** (The most recently registered team will appear at the bottom of this drop down list). **Select My Members** to view your registered players.

### **Individual Registration – Touch Football Australia (TFA) National Membership:**

**Every individual player** will need to register with TFA and pay an annual **\$22 National Membership Fee** when registering via MySideline from 1 July 2023.

[TFA Annual Membership](#) will cover all TFA Affiliated Competitions from 1 July 2023 – 30 June 2024.

### **MySideline Game Times:**

MySideline is used nationally. **Game times will appear in the time zone that your device is set to!** If you are in another time zone and your phone automatically updates date and time, the Mysideline website will display game times in this current time zone. If this is unclear, or just to avoid any error, please ask a teammate currently located in Brisbane to double check your game time.

### **Draw Release**

Draws will be released Friday prior to Round 1 games commencing. Team Managers will be notified once the draw is published. Initially only Round 1 is released due to the number of late changes, registrations and pull outs. Rounds 2 & 3 will then be published. After grading Rounds 4 – 11 will then be released.

### **Grading**

When registering, pools start at Pool 1 (the most competitive grade) and can extend up to Pool 4 (The Most Social grade). Teams are graded after Round 3 into Grades (B, C, D, etc..). Any grading requests must be submitted in writing to the office before Round 3 to be taken into consideration. The office will monitor grades up until round 6 to ensure they remain competitive and enjoyable.

### PCT Player Hub

Premier Touch and City Touch have recently launched the [PCT Player Hub](#) which is designed to assist teams in finding extra players and individuals in finding teams across both competitions. We encourage all team managers to join the player hub if ever in the need of extra players or subs throughout the season.

Pass the number and the website link above to your team mates to also check this prior to the games commencing. Please also refrain from calling the office so that the phone line is free for the latest venue updates.

### **Forfeit Games**

TMs must notify the Competition Manager of a forfeited game by 3pm of game day. Multiple forfeits after 3pm will see the team removed from the competition. Please refer to the [Competition Regulations](#) for more information.

*\*If you are no longer able to manage the team, notify the office with the new TM details (Name, contact number and email). Premier Touch will require the new contact to confirm that they are taking over the TM responsibilities, including the invoice being re-sent under their name.*

### **Uniforms**

All team shirts must be matching in colour with visible numbers on the back. This will be enforced by referees at the venue after round 4. Players may not be able to take the field after round 4 if they are not wearing the correct attire.

### **Referees**

PT are always on the lookout for new referees on board! We run several Level 1 courses throughout the year. If you are a referee or keen to give it a go, please email Darren our Referee Development Officer on [referees@premiertouch.com.au](mailto:referees@premiertouch.com.au).

### **Injuries/Insurance**

Injuries are an unfortunate part of all sports. In the event of a serious injury, Premier Touch insurance coverage can be utilised to help players get back on the field. More details can be found on our website here: [Injury and Insurance Cover](#). Please ensure that all injuries are reported on the night to the on-field referee or venue organiser.

***Players must be registered online through Mysideline prior to the date of injury to ensure coverage.***
